CANDIDATES FOR SPOA BOARD OF DIRECTORS

Richard "Rick" Allen (previous Board member in 2016)

I was born in Los Angeles California, entered the Film and TV business, and spent 38 years as an Assistant Director, Studio Executive at Warner Brothers; and later as an independent Producer on such shows as Happy Days, Family Ties, Motel Hell, Star Trek II Wrath of Khan, The Frisco Kid, The Love Boat, Hart to Hart, Supernatural, One Tree Hill, and Friends. My last Series brought me to Austin four years ago where I not only fell in love with a lovely Texas Lady (my wife Janice who was working on the set as a Costumer), but also with the State of Texas.

I have two grown Children who live in Los Angeles; and we became Grandparents in 2016.

My strengths are problem solving, budgeting, dealing with people, and having a good sense of humor. I retired in 2015; and knowing I wanted to live in Texas we started looking for a house and found wonderful Saddleridge, with all its serenity and abundant wildlife.

Steve Amos (Incumbent)

Steve and his wife Sharon moved to Saddleridge in Oct. 2013. Steve is a retired teacher (EISD and AISD, grades K – high school), and also a retired youth pastor (20 years of evenings, weekends and summers). Sharon was a stay-at-home mom until their youngest was in 5th grade, and then she worked in school libraries and front offices for a dozen years. She is a great cook and baker (her lemon pound cake and pecan pie are his favorites). Steve is an old folkie who still plays a bit of acoustical guitar and enjoys singing. He spends his days keeping the weeds mowed, trees trimmed and trying to rid the yard of rocks. They have been married for 48 years; and have two sons, two daughters, and seven grandkids.

George Graham (Incumbent)

George Graham and his wife (Lynelle) moved to Saddleridge in July 2010 upon George's retirement from General Electric's Aircraft Engines Division. During his two decades at GE, George worked a number of interesting jobs (both domestic and worldwide) within the Division's sales, finance, and military contracts groups. His final decade with GE was spent in Houston as Global Marketing Manager, Contractual Service Agreements, for GE's Houston-based Aeroderivative Power Generation business (to simplify, George sold long-term maintenance agreements worldwide for GE's LM-series Gas Turbine Power Generation Packages).

George was born and raised in Oklahoma City, and over the years has lived in Pittsburgh, Cincinnati, and Morgantown, WV before moving to Houston. While in Morgantown, George earned a BS in Finance from West Virginia University, and made the WVU varsity Bowling Team!

George is an avid car-collector and an excellent mechanic, with a number of interesting vehicles in his stable. Other hobbies over the years have included drag racing, sailing (a Hobie Cat), and flying (has owned a Salto sailplane, a Grumman Cheetah, and a Grumman Tiger).

George has served on the Board since 2011.

Dr. Bob Pyle (Incumbent)

Bob Pyle grew up in Wichita, Kansas and attended the University of Wichita where he earned a Master's Degree in Education. He moved to Colorado and worked as a school teacher, counselor and psychologist. He received his Doctorate from the University of Northern Colorado. His work career in the Denver area included being the Director of Special Education and as a psychologist for the Community Mental Health Center. He has been awarded the ABPP, the highest accolade a psychologist can receive.

He refereed high school basketball for 25 years and football for 41 years. He received an award for High School Football Official of the Year. After retiring from the school district and mental health center, Bob and Lynda moved to northern New Mexico where he worked for 8 years for an organization that provided mental health services to men and women on probation and parole. Recently Dr. Bob has returned to work seeing patients in area nursing homes.

Bob and Lynda will soon be married for 22 years. Between them they have four daughters and six grandchildren. They moved to Saddleridge in May, 2011. Bob assists Lynda in her booth at Wimberley Market Days and at the boutique she co-owns with her daughter in The Quarter.

Bob has served on the Board since 2012.
